RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents:

In response to the Species Election Requirement dated March 3, 2006, please extend the period of time for response one month, to expire on May 3, 2006. Enclosed are a Petition for an Extension of Time and the requisite fee.

Reconsideration of this application is respectfully requested in view of the following remarks. Claims 1-25 are now pending. By an Office Action dated March 3, 2006, the Examiner has required Applicants to elect a single disclosed species for purpose of initial examination. To that end, Applicants hereby elect the species of N-acetylcysteine for initial examination purposes. Independent claim 1 is generic to this species, and dependent claims 2-25 read thereon.

Consideration of the claims is now requested.

Respectfully submitted,
